SENIOR STANDING COMMITTEE

FALL

Upon opening of school in the fall, the senior class went to work preparing for their graduation in June. Their first business was to have a class meeting to display caps and gowns and to select announcements. The Senior Standing Committee eliminated all but three styles of announcements, whereupon the class voted for their preference. There was talk of having a Senior Frolic, but this was postponed until the following semester. Miss Bolton is Senior Class adviser.

SENIOR STANDING COMMITTEE

SPRING

The Senior Standing Committee for the spring semester, on taking over, found the treasury lacking in funds.

In order to raise some money they made plans for a noontime show which was called "Heck's a Bubblin'." The show was a great success and the money went toward the Senior Class gift and a bronze date plaque.

The committee suggested a senior class picture which was approved by a class vote. The remainder of the year was spent in planning for the Senior Prom and graduation.

Freshman Year

We, as Freshmen, entered high school filled with enthusiasm. The formal greeting given to us by the student body was the Freshman Reception. We were identified by bright green bows.

We were a very active organization. A Freshman Council was elected, consisting of two representatives from each Democracy Nine Class, to draw up a constitution.

The Social Committee, headed by the girls' vice-president, Betty Bartholow, planned to give parties; while the Roundup Committee, formed and headed by the boys' vice-president, Orson Dee, was to provide entertainment for the Freshmen when the other clubs were having their meetings. The traditional Freshman paper, "The Green Pea," was again organized with Bill Reece filling the job of editor.

There were several Wednesday roundups and one big, successful noon dance, followed by the clothing drive for Europe. The Freshmen challenged the rest of the classes. The contest was a long, hard fight, but the Freshmen went out and scoured the town for clothes and won.

To end the fall semester, a big party was given. The turnout was large and the party was really enjoyable.

The Spring Roundup Committee had its first class roundup at the showing of the ski pictures in the High Sierra by Mr. Fred Hines. The committee planned a variety of future roundups to provide entertainment every Wednesday for the rest of the year.

Among other activities, many of the Freshmen participated in larger school activities, such as the Yell Leader school to which about six of our very active members belonged. They were Barbara Wadlow, Ruth Ruffino, Pat Farley, Dick Kachel, and Rosemarie Shelly. In the years to come, several proved their efforts were well worth while by becoming assistants and Head Yell Leaders. Ruth became an assistant and Rosemarie became Head Yell Leader.

Also many talented musicians took part in band, orchestra, chorus, and marching band. They were, Joyce Watkins, Marion Dee, Bob Robertson, Jo Ann Herkner, Orson Dee, Janet Braverman, Marilyn Carter, Lil Hildredth, Joan Tachouet, Cay Hoditz, and Mary Jo Baxter.

The Les Couturieres initiated a new idea of having Freshmen girls as little sisters. The older girls watched out for her little sister and helped her as much as possible in becoming acquainted with the school. They took their little sisters to dinners, parties, and showed them a good time at the annual Girls' Jinx.

Many of our Freshmen boys showed promise as outstanding athletes on football, baseball, track, and basketball teams. In fact the "C" track team, which included the Freshmen: Orson Dee, Don Azevedo, and Bob Weber, won the N. B. L. Championship.

The biggest success of the Freshman year was the passing of the School Bonds. We all worked hard to put this over to the public so that we could have improvements on the buildings, and in 1949, the year of our graduation, we had our swimming pool.

Sophomore Year

Under the capable leadership of President Richard De Tata, the class organized and gave a Sophomore Dance. This evening proved to be a memorable and enjoyable one for the class and their guests. A few weeks later, the sophomore paper was published and carried the announcement of a contest to pick the proper name for the paper.

There were thirteen sophomores on the San Rafael championship Bullpups' football team. Later in the year eight more sophomores went out for basketball.

We rated, too, in scholarship. In the fall of '46, eleven of the twenty-one members of the Scholarship Society were sophomores. In the Spring term exactly fifty per cent of the membership of the Scholarship Society was made up of Sophomores. The "brains" were Orson Dee, who was the Fall and Spring President, Marilyn Carter, Jo Ann Herkner, Pat McKinney, Sally Wright, Betty Rada, Bill Russell, Marilyn Slepnol, Margaret Bird, and Jack MacPhail.

As a class we were not only noted for our "brains" alone, but also for our leaders. Betty Bartholow and Sandra Tibbott were officers in the Girls' League and Bill Russell and Bob Weber were officers in the Boys' Organization. Several of our dramatically talented students namely Dixie Foster, Sheldon Stern, Joan Tachouet, and Dolores Holiday made their debut on the stage during some of our most successful assemblies, under the leadership of Dave Ford and Al De Rosa.

Junior Year

Bill Reece was elected president of the fall term. The first meeting of the fall semester was called to discuss senior class sweaters. Green sweaters were decided upon. The sweaters, which arrived a few weeks later, were the highlight of the fall semester.

Bill Hunt was the class' choice for president. In order to raise sufficient funds for the class' future activities, and with intentions of purchasing a memorial for Mr. Hill, the class sponsored a fun-night. This fun-night took place in both of the high schools' gyms and consisted of dancing, and playing games such as ping pong, bingo, cards and other games.

The main activity undertaken by the junior class this year was, of course, the Junior-Senior Prom. The plans for the prom were planned and carried out by the Junior and Senior Standing Committees and were conducted under the auspices of the P. T. A. It was held at the Alta Mira Hotel in Sausalito and was a huge success.

As a class of juniors, we were very outstanding in student affairs. Our own vivacious Marion Dee was

HISTORY

elected Head Yell Leader. Both Bob Weber and Bill Russell were presidents of the Boys' Organization. Bruno Franchetti was vice-president; Remo Scherini, treasurer; and Dick Reece, secretary. Betty Bartholow was Girls' League vice-president; Eldean Hazelton, fall secretary; Pat Farley, spring secretary; Ruth Ruffino and Harriet Krantzman, fall yell leaders; and Marion Dee, spring yell leader.

As usual, our class was again the leader in the Scholarship Society. Our Searchlight had its division pages drawn by Ron Marsh, our talented junior artist.

We had heart-breaking news at the end of our football season by being defeated by Tam 32-7. We had been the victor over Tam for the past seven years. We also lost to Tam in Varsity basketball, but it was only our second loss in the season. Bob Antonioli was high point man of the season by making a total of 60 points. Dave Stewart made 23 and Bill Russell, 27 points. However, our "B" team "brought home the bacon" by winning the N. B. L. Championship. Our track team was hampered by spring downpours but despite this fact, we made a good showing. Jim Law and Dave Stewart were our two outstanding winners.

A great honor was bestowed upon San Rafael by being host to the second annual North Bay Music Festival. This was held on our football turf. The best students of each instrument from the different schools combined to make up an orchestra, band and choir.

As usual, many of the outstanding events were sponsored by the various clubs. The Les Couts put on a Halloween Hop and Apple Day. They also gave a scholarship from the money they earned by selling Marin Town Hall tickets. At the end of May they journeyed to Rio Nido on the Russian River for a weekend during which they gave the graduating seniors a farewell party. The Ra Ravos gave their annual Barn Dance and Fair Day. They, too, gave a scholarship from the money they earned by selling Marin Town Hall tickets. They also took their annual trip to the snow.

The junior class was greatly indebted to Miss Bolton, the adviser, for her splendid help in carrying out all of the class activities.

Senior Year

As we entered the halls of S. R. H. S. for our last year, we were greeted with shades of green, rose, yellow, and blue walls. The colors made everything seem so cheerful and light, we didn't consider school dark and dingy any longer.

The swimming pool, which was to be completed by November, showed signs of complications so it was after Easter before we were allowed to swim.

Bill Russell was our Fall Student Body President and Bruno Franchetti, senior class president. Jim Evans was our Commissioner of Social Activities, and from his and the Student Council's hard work, a very successful Freshmen Reception was given with a tropical theme.

The Tam-San Rafael Inter-School Relations Committee gave a dance at Marin J. C. in November and planned a "Dive and Jive day" for June 3 at Fairfax.

We lost to Tam in football this year with a score of 25-0. The students, however, showed more pep and fight than they have in a long time.

The football players were the honored guests of the Les Couts at a banquet. Captain Bill Russell presented Coaches Paul Miller and Al Thomson with gold signet rings.

The Les Couts and Ra Ravas each put on their annual dances, the Pumpkin Ball and the Barn Dance, and joined together to have Cupid's Fantasy, a formal with a valentine theme.

The senior class presented a noon "Hecks-a-Bubblin' " show to raise money for the class gift and to help finance the Senior Prom. It is rumored that the class would like to have it at a large hotel across the bay.

The spring elections showed much spirit and cleverness in advertising. Dick Reece was chosen to lead us as Spring Student Body President and Bill Russell as Senior Class President.

Our Art department was victorious in several fields this year by placing 16 Gold keys in the Scholastic Art Contest which was sponsored in Northern California by the Emporium in San Francisco. These entries were forwarded to Pittsburg for the National judging. Also, Cristell Dennis won first prize in the Marin County Easter Seal contest and second prize in the State contest.

Our stage was decorated by new curtains and was the setting for two plays; one directed by Edward Day with a few seniors and the other by Harold MacChesney and his Dramatic class.

The combined Music Departments of the High School and Grammar School pesented a Spring Concert directed by Hugo Rinaldi, David Kesler, and Edna Kesler. It was acclaimed by critics and others as the best ever.

As soon as spring arrived, so did the measles. Many of our healthier specimens were kept at home for a week or so. That was sure hard to take!

We, the Senior Class, wish to express our deepest gratitude to our teachers and advisers who have helped to make these last four years our best years. The knowledge we have gathered, the friends we have made, all will make us better citizens in our World of Tomorrow. We hope we have inspired the classes below us to work harder in everything they do, so that when they are seniors, they will be able to lead the students in bigger and better ways.

We all leave with a smile on our faces and keep in our hearts the fond memories of the activities which took place during our four years in San Rafael High.

JUNIOR CLASS

FALL

The junior class began the fall semester under the leadership of Dick Marowitz, later Larry O'Brien served as president. Regular class meetings were held as soon as representatives were appointed. The main topic of these meetings was the senior sweaters and jackets for the class of "50". A vote was taken and it was decided that they would be royal blue with white block and chevron. The class adviser is Mr. Day.

SPRING

After the class officers were installed, they set to work to make some money for the class. Plans for a junior variety show had an early start, then flopped. After renewed enthusiasm and rehearsals, our show was finally put on in the auditorium on April 8 under the name of "Junya Revoo."

In March we were seen parading the halls sporting our senior royal-blue and white sweaters.

Also a dance for the students open to classes was given on the 22nd of April.

Mr. Edward Day is our class adviser.

SOPHOMORE CLASS

FALL

Tom Cagwin, president of the sophomore class, presided over the sophomore council meetings in the fall semester. Noon movies every other Friday were given in the little theater and were well attended. At the end of the semester the treasurer reported a balance of $75. Miss Patricia O'Brien is the class adviser.

SPRING

Members of the sophomore class have participated in many activities this year. Members have belonged to the Scholarship Society, and track and baseball teams. Robert Annis, Bob Myers, Tony Ferreira, and Allen Simontacchi were on the track team, while Floyd White, Bob Manzoni, Bob Soldavini, and Mike Hill were members of the baseball team.

We have had noon movies every other week to raise money for future activities. We are planning a swimming party with enthusiasm. Miss O'Brien is class adviser.

FRESHMAN CLASS

FALL

The freshman class led the school in magazine subscription sales this year. They staged a successful frosh party, and also edited their own newspaper, "The 52." Many frosh participated in sports—the boys in football and basketball, the girls in basketball and volleyball. Under a capable president and council, the freshmen proved themselves worthy members of the student body. The counselors act as advisers to the freshman class.

SPRING

The Freshman Council, holding weekly meetings under the direction of our spring adviser, Mr. Paterson, planned noon roundups, movies, and the Frosh party. This Easter party, held on April 2, featured dancing, games, and refreshments in the gaily decorated cafeteria.

A freshman paper, the "52" was published under the editorship of Nancy Kelley.

Participants in all school activities, freshmen were members in the Scholarship Society, G.A.A., track, baseball, and basketball teams, tumbling, bowling, 4H, camera, science and hobby clubs.

ORGANIZATIONS

STUDENT BODY

Under the capable leadership of Student Body President Bill Russell, the fall semester was very active. The year was off to a start when the annual Frosh Reception was given. The N. B. L. Convention at Analy was another outstanding event. For better relations between Tam and San Rafael, a joint dance was held.

OFFICERS

The Spring Student Body officers have undertaken to improve the Student Body Constitution by changing the method of nominating candidates and by installing a preferential voting system. A plan to limit campaign expenses is also under way. With the opening of the new pool, it is hoped that an aquacade may be held. We are also planning a joint picnic and swimming party with Tam.

SCHOLARSHIP SOCIETY

The Scholarship Society, Chapter 62n of CSF, enjoyed a busy year. In addition to its regular activities, the group raised money for two scholarships, visited neighboring chapters, and attended fall and spring conventions at Santa Rosa and Sacramento.

The Society is especially proud of its seniors who earned life membership in CSF in the fall.

SPORTSMEN'S CLUB

Under the adviserships of Mr. Jones, the Sportsmen's Club had the most successful year they have ever enjoyed.

One of the distinct features of the club this year was the "flashy" maroon and white jackets.

The boys will always remember their week-end snow trip to Yosemite.

The remainder of the year was spent in planning for a dance, the Sportsmen's Frolic, and several banquets.

The Alpha Kappa assisted in the decoration of nearly all dances this year, the first one being the Freshman Reception.

The money which was raised by cake sales, was used to enable the members to see the "Great Waltz."

The last event of the year was the Senior Farewell, which was held at Bayside Acres.

DANCE BAND

MUSIC DEPARTMENT

The Music Department opened at the beginning of the year by having the Pep Band play for several of our early home football games. The Marching Band, composed of 48 high school and grammar school students, ended the football season by marching at the big game between San Rafael and Tamalpais.

The Concert Band and Concert Orchestra spent most of the first semester preparing for the Annual Concert which was put on by the high school and the grammar school music departments on March 27, 1949. They are now getting ready for the Annual Bay Counties Spring Music Festival which will be held in Santa Rosa in May. The A Cappella Choir sang several places in San Rafael, gave a sacred Christmas concert in one of the San Francisco churches, and sang for our own annual concert. They are now preparing for an Easter assembly, Public Schools week, and a United Nations program. From the choir, a boys' quartet and girls' trio were formed which made several guest appearances on KTIM for the Junior Jamboree.

Some of our school dances have been honored with the music of the High School Dance Band. They have really added a lot to these dances.

This year a General Music Class was formed for the first time by Mr. Rinaldi. This class is for non-instrumentalists who wish to know a little more about music. Noon concerts, every other Friday, are sponsored by this class where the school's talent is shown.

One of the outstanding clubs in school is the Nu Beta Sigma for students who are eligible by having had at least one semester of music in San Rafael High School. This club has sponsored two very successful dances this year, a snow trip, and trips to San Francisco to shows, and musical events.

Dearest Ramona,

Here's to all the good times we've had together these past 3 years - Let's make it 4 happy ones. Shall we? It's so much fun when we're all together so here's hoping...

Have fun this summer and please don't forget me. Okay.

Loads of Love.

Ann H.
